Shippy is the epitome of the modern CB. A premium, athletic and kind Stallion, he passes his temperament on to his progeny. He's an active ride and a proven performer in dressage and show-jumping. His part-breds compete in all disciplines and excel in young competition horse classes proving the ability of a CB sire to add bone and substance to competition horses. His powerful jump and athletic paces pass to his progeny and his correct conformation produces true performance horses for all disciplines.
