Lionheart's foals show his size, substance, jumping ability, and lovely movement. As a young sire his offspring are commanding attention. At the Morven Park Dressage Show his daughter, Bella Donna Bianca, was Champion and his son, Bella Donna Ashton, took the Reserve honors. Richard Lionheart should receive the consideration of the serious breeder desiring to improve the bone, substance, movement, and disposition of the resultant foal - attributes consistent with the Cleveland Bay. Lionheart's dam, Ramblers Leonie was undefeated in England and property of H.M. the Queen.
